Lily

Ht: 5'3"
Wt: 105 pounds
Bras: 32B
Panties: Usually commando
Anal: I'd like to try it
BJs: Good girls swallow
Masturbate: Daily

"I'd be lying if I said that I'm not an exhibitionist," Lily told us. "I think it's because growing up there was always a lot of attention put on me and I got used to it and enjoyed it. Whether it was good attention or bad attention, I found myself craving it. I guess you could call me a show-off or a slut, but I'm just a horny girl who likes to give a good performance. That's why I figured I'd send in these pictures to you guys."

"My fuck buddy took these pictures of me in his parents' backyard. He's an awesome lay, but he's not boyfriend material, so we keep our relationship strictly about sex. A little while ago, he tied me up, choked me and made me beg before he would let me finish. Afterward, I did the same thing for him. I loved both experiences equally because although I can be submissive in the bedroom, I don't mind taking the reins every once in a while."

Lily Wants A Snack

"I've never been with a girl before. I'm interested in it, though. One time, my friend and I had plans to experiment with one another, but she backed out when it came down to it. I really want to try eating a pussy!"

Madison

Kalamazoo, Michigan

Student
Age: 20
Born: October 22
Ht: 5'3"
Wt: 112 pounds
Bras: 32A
Panties: Butt huggers or thongs
Anal: No way!
BJs: Give me a facial
Masturbate: Almost never

Madison is dating a 50-year-old man. No, that's not his cock she's sucking. "My guy has a cuckolding fetish," Madison explained. "He wants to see me sucking and fucking other guys. He gets off on the embarrassment it causes him. What could be more embarrassing than watching your girl do porn?"

Madison is a big sports fan. Her favorite teams are the Detroit Tigers and Ohio State. She's also a big fan of wrestling. "My favorite wrestlers are Randy Orton and Roman Reigns. When I masturbate, I fantasize about the two of them taking turns fucking my pussy, and when I'm really horny, I imagine them both fucking me at the same time, double-vaginal style. It's not something I think I'd ever try because I'm pretty tight, but it's hot to think about."

Appropriate Place To Be

"It's funny that I'm in your magazine because I've had multiple neighbors refer to me as their naughty neighbor. I seduced a couple of the divorced dads in my hood growing up. I've always had a thing for much-older men."

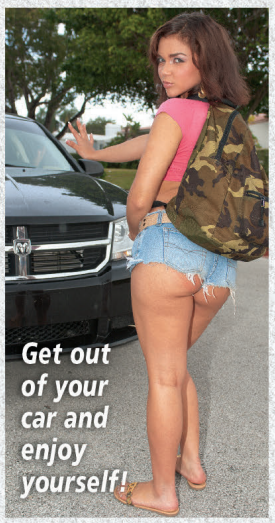
BLOCK PARTY

OUR MONTHLY SHINDIG OFFERING SEX TIPS, TRICKS AND A HOST OF SEXY CHICKS

If you feel as though you can't understand young people nowadays, you're not alone. Even though we have more contact with 18-year-old girls than most guys our age, we often find ourselves baffled by their motivations. The National Youth Risk Behavior Survey studied 15,000 high school students across 39 U.S. states and concluded that teens are abstaining from sexual behavior and drugs. Between 2007-2017, sexual encounters dropped to 39.5 percent from 47.8 percent. Use of cocaine and ecstasy also fell to 53.8 percent from 61.5 percent. Where are all the party animals and easy girls?

SHORT COMMUTES BETTER THAN SEX

If you let your mind wander during your morning commute, what do you fantasize about? If you answered a shorter commute rather than a blowjob, you're just like the 3,000 respondents polled recently in London. The vast majority of them told researchers that their overall happiness received a boost when they didn't have to spend the London average of 39 minutes getting to work. That number was much higher than the amount of respondents who said their happiness was boosted by sexual activity. Researchers also point out that there is an overall dissatisfaction of life that comes along with long commutes; chief culprits of which are increased weight, lessened cardiorespiratory health and higher stress. So get out of your car and make yourself happier!



NEW YORK ORGY BOAT

Where does one turn when they find the hottest, most-exclusive orgies in New York City too tasteless? They head to the open seas to enjoy a private orgy yacht in Sheepshead Bay.

Co-founder Kenny Blunt described his company Chemistry to blogger and podcaster Legs Malone as, "An event. It's a great New York City loft party. We've got entertainment, DJs, a nice guest list, a bar…The only difference is that there are also play areas so that when guests get turned on by other guests, we provide a sexy environment so that they can go and act on that." His partner Oksana Kissallover added, "Who

Student
Age: 18
Born: July 25
Ht: 5'3"
Wt: 110 pounds
Bras: 34A
Panties: Thongs
Anal: Never tried it
BJs: Swallow
Masturbate: When I'm super horny

Danni is getting her associates degree in science. She says she likes going to raves, but she also enjoys staying at home and playing cards. "I'm either doing something completely wild or something completely calm. There's no in-between with me!"

"My on-again, off-again boyfriend shot these pictures. He wasn't happy when I told him that I wanted to be in a magazine, but I told him that he doesn't have a say in what I do, especially since we're not officially together right now. The whole process turned out to be really fun, and he had a good time pretending to be a photographer."

That Ain't Cheating!
"I love being in a relationship, but being single is a lot of fun, too. I enjoy the fact that I can go out with my friends and eye-fuck a cute guy without feeling guilty about semi-cheating. I'm a nervous wreck when I have a boyfriend."

Veronica

Albuquerque, New Mexico

Student
Age: 20
Born: February 13
Ht: 4'11"
Wt: 110 pounds
Bras: 34B
Panties: Usually none
Anal: I love licking and fingering
BJs: Swallowing is awesome
Masturbate: Almost every day

"I never shy away from anything related to sex," the brace-faced and pint-sized cutie told us when we asked her why she sent in her photos. "I'm a crazy positive and cheerful person, and I apply that to my sex life. I'm willing to try anything once. One time, I met a guy on a sex app called Bumble and pegged his ass with a dildo just to say that I'd tried it. I'd probably do it again if someone asked."

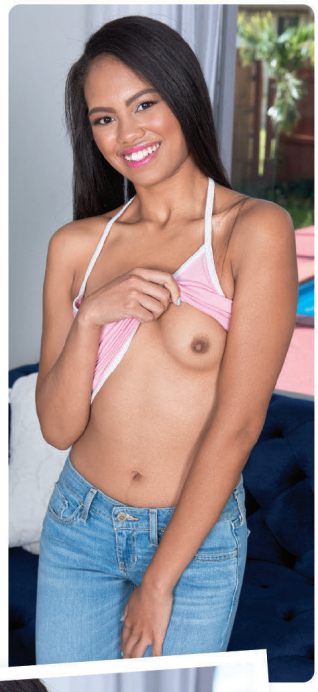
We Were Just Wrestling!

"I lost my virginity in the high school wrestling room at lunch. The crazy thing is that there are security cameras everywhere in the school, so I'm sure we were being watched! I'm so happy we didn't get busted halfway through!"

Berlyn

Portland, Oregon

Hotel clerk
Age: 21
Born: May 12
Ht: 5'6"
Wt: 118 pounds
Bras: 32A
Panties: Thongs if anything
Anal: Yes, I love it!
BJs: Swallow
Masturbate: All the time!



Berlyn is really, really fucking horny. "I used to masturbate in front of my bedroom window as a teen because being watched turned me on so much," she told us. "I had to stop because some old bitch called the cops on me when she found her husband jerking off to me in the living room! I know that because he told me one afternoon and asked me to give him an in-person show. You know I did it, too!"

She's Not Dick Picky
"I love plain, hard dick. My G-spot is the most-sensitive place for me, and nothing gets me off like penetration. I'm not picky, either; small or big, as long as the guy can hit my G-spot two inches in, then we'll be good!"

Alexa

Dover, Delaware

Teacher's assistant
Age: 27
Born: November 29
Ht: 5'5"
Wt: 105 pounds
Bras: 32A
Panties: Bikini cut
Anal: I haven't tried
BJs: Swallow
Masturbate: A few times a week

Alexa graced our September '18 issue, but since a couple of you guys sent us letters praising this skinny, little blonde with the beautiful bush, you wouldn't mind seeing her again. We forwarded her the fan mail and asked her if she got over her self-consciouness she spoke about in her first pictorial. "I'm blown away by how kind your readers are," she told us. "I'm still not a big fan of how skinny I am, but one of the guys who wrote to me told me that I was perfect just the way I am. That meant a lot to me. And every guy mentioned how badly they wanted to feel my hairy pussy on their cock. That was so fucking hot! I hope I get more sexy letters after these pictures are published."

Spank-Bank Material

"I'm keeping my fan letters in a box with my sex toys next to my bed. I usually just fantasize in my head when I masturbate, but lately I've been reading the letters and cumming like crazy. I love how many guys complimented me."

FunSize!

Eight little beauties under five feet tall!

A tiny little package, Kiley weighs just 80 pounds. She came to us because she needs money for college and because doing porn has always intrigued her.

Jennifer weighs just 91 pounds, and she's attracted to older, muscular men who can pick her up and fuck her. "I like bikers and mean-looking guys who are rough in bed," she told us.

"I kinda have to be on top when I'm fucking because I'm so small, but I make up for that by being real active and loud, too," said Shirley. "If you're a good lover, I'll cum two or three times and then you can do what you like."

"Something that I've been told a lot by guys is that I have a magic pussy. They all tell me how pretty and tight it is, and how good it smells and tastes. I'm only 80 pounds, so I know I'm tight. I've always been pretty confident in that department," Piper shared with us.

Hands down, Dolly is the smallest girl we've ever featured. At 4'9", she's barely tall enough to ride on roller coasters. "I can ride on cocks, though," Dolly told us. "I just got past a little lezzie phase, too, so I'm ready for some dick!"

"I'm little, so that means I've got a little mouth, too. So sucking Al's dong wasn't easy, but, boy was it fun," said Veronica. "Did I cum while we were fucking? Hell yeah! More than once I think, and my body was tingling and buzzing the whole time his cock was in me!"

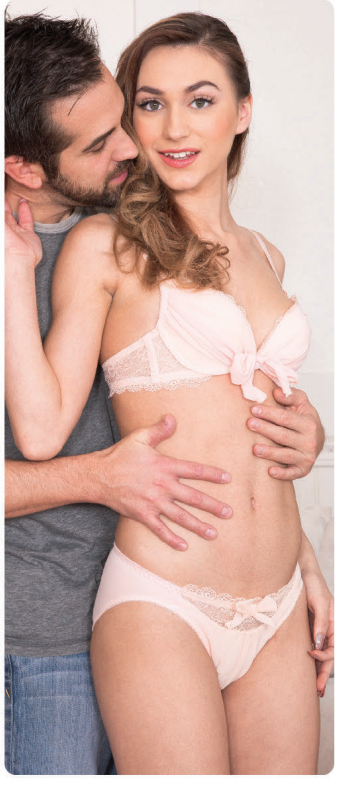
Do you want to fuck a teen who can suck a cock the width of her wrist? Would you give anything to lock down a piece of ass who is bisexual, willing to involve you in a threeway and describes anal sex as "very nice?" That's Lucie.

Did Sally name herself Squirt because of her diminutive size? After all, she only weighs 83 pounds. Or is it because her tiny pussy gushes?

Ana

Seattle, Washington

Student
Age: 18
Born: August 12
Ht: 5'6"
Wt: 120 pounds
Bras: 34A
Panties: Thongs
Anal: I like licking and fingering
BJs: Swallow
Masturbate: Before I go to sleep



Former gymnast and current college student Ana told us the last time we saw her that she was unsure about fucking a stud on-camera. Well, she got past her nervousness. "I decided to throw caution to the wind because, honestly, fuck it, y'know? Shooting a porn scene sounds like a lot of fun!"

"I watch a lot of porn," Ana confided to us. "I just started bunking with another girl in the dorm, and she's alright, but she's not somebody I want to party with. When she goes out, I hang in my bunk and watch porn on my laptop. My favorite is big-tit lesbian porn, but I also really enjoy gangbang stuff. I'm too scared to do a gangbang, but I like watching them."

"I've got a bucket list of things I want to do in my freshman year. I spent all of my time in high school studying and playing sports, so I want to experience new things now that I'm in college. I don't drink or do drugs, so my list relies more on sexy things. I'd like to try anal. I've had my ass played with before, but I've never tried penetration. I'd also like to try fisting. I think I need to find a guy with a medium-sized cock and small hands! Then I could check off both of those things."

We know that right off the bat, Violetta isn't going to be everyone's cup of tea. We get it. Some guys like a hairless cunt, and there's nothing wrong with that. But some of you guys love sinking your nose into a hot, hairy, fragrant bush. This extreme Bush Baby is for you.

BUSH Baby

She's Not Too Extreme

"Even though I've grown out my hair, I'm not a militant, vegan, lesbian feminist or anything like that. I'm turned on by challenging what society says a woman should look like, but I'm still a woman who needs a good man to fuck."

Lenna

Born: December 15	**Anal:** I need to be prepped
Ht: 5'2"	**BJs:** Swallow, duh!
Wt: 120 pounds	**Masturbate:** Yes

Lenna is so cute and gives off such an innocent, young vibe, we almost missed the fact that she's a busty, little fuckdoll. Almost. "Guys think I'll be reserved in bed because I'm kind of shy and my voice is soft, but then I'll get them in bed and ask them to fuck me hard, spit on me, choke me and cum on my face."

"I know that it's a cliche for a girl my age to start dating an older guy after they break up with their high school boyfriend, but that's exactly what I did. I've always had a thing for men with gray hair, so I found a guy in his 40s to spend time with. He pampers me and treats me right. He took me to a sex shop for the first time and bought me all of my toys. We're super casual right now, but that works for both of us."

It's All About The Prep
"My old boy-toy is the one who convinced me to try anal. The first time we tried, it fucking hurt so bad! He said I needed to stretch out first, so he got me this buttplug. Now anal feels really good and I can cum from it."

BLOCK PARTY

wants to go home when you're in that kind of mood?"

But their bi-monthly parties aren't always located in a swanky Brooklyn loft. Earlier this year, Chemistry set sail away from prying eyes and set course for a pleasure cruise around the bay. Although the sound of lapping waves against the side of a multi-million dollar yacht and a fully-stocked bar puts everyone in the mood for pleasurable depravity, the choice of moving aboard the vessel may have been a practical matter.

"Here's a sad thing about how New York has changed. Back then [when Chemistry was founded in 2006], you could use rooftops and buildings, but in the age of litigiousness, that's going away. We used to get away with so much. Our first home in Prospect Heights, we used to do some ridiculous things. In the early days, we had a 16' dome on the rooftop with fire

spinners and DJs."

But the sailing swingers' aren't completely safe from the litigious morality police. Shortly after Chemistry's initial yacht sex party, Assemblyman Steven Cymbrowitz (D-Brooklyn) called for an investigation into the event. He stated, "Floating sex parties are compatible neither with Sheepshead Bay's family-friendly character nor with the positive changes that we are working to implement with regard to the party boats."

When asked why Kenny Blunt and his partner, co-founder Sheila Monster, started their company in 2006, Kenny responded, "The sexual landscape at the time...the parties were boring. There wasn't a lot of effort or thought put into creating a sexy space. It was tacky. It seemed like all the organizers did was advertise that this was a party where you could have sex. They'd have a bar and a DJ that didn't appeal to us." What did appeal to them was smooth jazz, comfortable conversation, elevated drinks and a rule-based system that could ensure comfort and safety without impinging on the sexy vibe, all of which was reportedly present aboard their yacht party.

Back onboard, as the private members filed onto the gangway excited to embark on a night of hedonistic pleasure, the women complimented each other on their sequins and sparkles. The men laughed and shook hands. As they pushed off, the conversations continued, naturally shifting to more sensual topics. Pairs peeled off to inspect the play rooms; dimly lit corridors with mattresses and pillows cluttering the ground. Some were windowless quarters with a semblance of privacy, although the notion of a bashful swinger seems out of place aboard a floating fuck castle. Some couples mentioned that the vibe was better than other orgies and swingers' parties they had attended. Some let their nerves show that this was their first experience with swinging. As the guests filed in and out of the rooms onboard, glimpses of entwined legs flashed through the opening and closing doors. It

Yee-haw! River was born and raised in a small town in West Virginia. When our talent scout contacted her, she hadn't even let her boyfriends shoot naked photos of her. Now here she is spreading her barely-legal pussy in a magazine. "It's crazy," she said. "I was nervous at first, but I'm getting more comfortable. Luckily, all of my friends and family know that I'm doing this and they are giving me 100% support."

Butt-Naked Mountain Party
"Growing up, we did pretty much everything in the mountains. We'd go up there to fish, hunt, party, go muddin', or to just hang out and fuck! I can't tell you how many times I've been butt-naked in the back of a pickup truck!"

"I know some people think that it's silly, but I believe in my horoscope," Veronica told us sternly. "I'm a Sagittarius, and I do well outdoors. That's why I moved to Seattle for grad school. I can be vain, and that's one of the reasons why I sent in my pictures–to revel in my vanity. The stars guide everything about my life. I've even fucked guys before just because they showed up in my life at the right place and the right time."

Probably From The Drum Circles
"I like hippie guys, but they're usually terrible boyfriends. My last guy had dreadlocks and was a total burnout, but he was great in bed, so I kept him around. He had a good rhythm when we fucked. He could make me cum every time."

It's not fair to have a French girl as a Bush Baby, right? After all, don't most Frenchies have crazy pubes? "I wouldn't be so sure of that if I were you," Marianne corrected us. "That might have been true in the past, but now I am the odd one out in my group of friends."

When I saw your ad, I knew that was my ticket. I love watching porn, so I figured I'd try making some! This is the best decision of my life, and it came with a free vacation!"

The More The Merrier

"I told all of my friends how I was able to join them. Some were judgy, but a couple of them were jealous. I think I'm going to try to convince them to give you guys a call so we can all do a shoot together!"

BLOCK PARTY

continued from page 65

seemed at the time that everybody was having a good time, even if they were just observing the show.

When the yacht approached the dock, it moved slowly as if to allow the participants ample time to finish their trysts. People shuffled around on the bow, lighting cigarettes and making idle chatter. Their clothes were wrinkled, some people were just carrying their jackets and jewelry, too relaxed to worry about putting themselves back in the same pristine order as when they had arrived. Another party was two weeks out, and some of the couples made plans to meet again for more fun. It might not be aboard a yacht next time, but that didn't seem to matter as much as you might think.

As Chemistry tries to separate itself from the image of cheesy 1970s orgies and sex parties, it's finding an ally in millenials who are more likely to find partners on apps or websites than in bars or from friends-of-friends. For the younger crowd, hookups are easier and more common than relationships, and the stigma of casual sex has fallen by the wayside as technology has made finding partners as fun as a swipe-right-for-pussy game. The usual crowd at a Chemistry party doesn't care if the next soiree is on the open ocean or in a loft in Brooklyn, For them, it's all about living for the night, regardless of the locale. That is, after all, the distilled essence of what a swinger's club should be.

Kenny Blunt told a reporter at The Observer, "Today's generation of young adults isn't buying the traditional story about how relationships and our thoughts on sex are supposed to be. A lot of people are realizing that story just isn't true for them."

It may not matter to Chemistry's clientele where their parties are held, but the idea of a floating fuck party bobbing merrily down the river is an enticing image for us horndogs at NN.

Emily

Las Vegas, Nevada

Esthetician
Age: 19
Born: December 29
Ht: 5'5"
Wt: 112 pounds
Bras: 32A
Panties: G-strings or thongs
Anal: I love it
BJs: Swallow it all up!
Masturbate: Once a day

We asked Emily what pleases her more than anything else. She responded, "Sucking cock. I love the way the guy gets hard in my mouth. I love the way he squirms and moans. But the best part about it is how my spit mixes with his precum and it coats my throat before he shoots his load. God, I love everything about sucking dick."

Being sexual comes second nature to Emily. She's a natural-born horndog. "I danced ballet for 15 years. When I was younger, all the girls in my studio would be like, 'boys are so gross!' I'd be standing there with them and be like, 'Yeah, totally. I wonder what their dicks look like.' But the joke is on those bitches. I never had to wait for a guy to ask me out on Friday nights. I always had a line of guys waiting to get me into bed, and I never left any of them dissatisfied. Call me a slut if you want. I don't give a fuck."

Send Those Vids This Way!

"I like recording myself when I masturbate. I love pussy, so seeing my cunt on the screen is a real turn on. I always zoom in to see the way my hole stretches to accept a thick dildo. I sometimes send the vids to guys I like."

"As I told you earlier, I love swallowing, but I also like when a guy cums on my face or tits. One of my biggest fantasies is getting gangbanged by five guys and having them take turns on screwing all of my holes. When they're finished with me, I want them to stand around in a circle and drain their balls all over me. I want to be absolutely drowning in hot spunk."
